Memory DVDs

Anyone can make a PowerPoint presentation to play at your reception.

The filmmakers at Premiere Parties & Events turn this tradition into an art.

Combining photos, video, significant music, and the drama of real filmmaking, Premiere Parties & Events creates a centerpiece for your reception. Memory DVDs are presentations that your guests will remember for years to come.

Our professionally produced DVDs arrive in a customized wedding-white DVD case with custom labels. Not only a great centerpiece for your reception, but an excellent gift for family and close friends. Parents, grandparents, aunts, uncles and more will treasure their Memory DVD from you and Premiere Parties & Events.
